G. Signature

Your enrollment in the plan is expressly conditioned upon your acceptance of all terms and conditions contained in this enrollment application. If you do not agree to the following terms and conditions, you may not complete your enrollment.

TERMS AND CONDITIONS

As a condition of my and/or my dependents' participation in the plan, and in consideration for the privileges that come from participation in the plan, I hereby agree for myself and/or for my dependents as follows:

I recognize and understand that the plan contracts with physicians and other providers that make up the plan network. I recognize that all physicians and other providers that participate in the plan network are subject to credentialing under applicable State regulations and pursuant to the plan's network credentialing process. I understand that such credentialing includes a review of provider education, training and licensure. However, by participating in the plan I hereby acknowledge and accept that the plan is not a provider of medical services, and I am aware that obtaining or not obtaining medical care involves significant risks such as serious injury and even death. I acknowledge that the credentialing of physicians and other providers does not in any way reduce this risk. I agree to assume all risks and responsibility for, and hold the plan harmless from, any and all claims for damages, including personal injury or death, medical expenses, disability, lost wages, and loss of earning capacity which may be incurred or associated with medical treatment obtained through a participating physician or other provider. I recognize that all physicians and other providers that participate in the plan network are independent contractors and not the plan's employees or agents and are solely responsible for any malpractice, adverse outcomes, or any other claims arising from medical treatment rendered to me and my dependents. I HEREBY AGREE THAT THE PLAN IS NOT RESPONSIBLE NOR LIABLE FOR ANY ADVICE, COURSE OF TREATMENT, DIAGNOSIS OR ANY OTHER INFORMATION, SERVICES OR PRODUCTS THAT I OR MY DEPENDENTS OBTAIN THROUGH A PARTICIPATING NETWORK PHYSICIAN OR OTHER PROVIDER.

I recognize and understand that the plan does not recommend, endorse or make any representation about the appropriateness or suitability of any specific tests, products, procedures, treatments, services, or opinions. I recognize that the plan, plan documents, and any health and wellness information provided by the plan, are not intended or implied to be a substitute for professional medical advice, diagnosis or treatment. I agree to confirm any medical information obtained from or through the plan with other sources, and will review all information regarding any medical condition or treatment with my physician. I HEREBY AGREE TO NEVER DISREGARD PROFESSIONAL MEDICAL ADVICE OR DELAY SEEKING MEDICAL TREATMENT BECAUSE OF SOMETHING I HAVE READ OR ACCESSED THROUGH THE PLAN.

I authorize "The Company(ies)" checked on page one to obtain, use and disclose my medical, claim or benefit records, including any individually identifiable health information contained in these records. I understand these records may contain information created by other persons or entities (including health care providers) as well as information regarding the use of drug, alcohol, HIV/AIDS, mental health (other than psychotherapy notes), sexually transmitted disease and reproductive health services. I authorize any health care provider, pharmacy benefit manager, other insurer or reinsurer, hospital, clinic or other medical facility, health care clearinghouse, and any of their affiliates, representatives or business associates, to disclose my information to "The Company(ies)". I understand that the purpose of the disclosure and use of my information is to allow "The Company(ies)" to facilitate the appropriate management of treatment, services, payment and benefits. I further understand that the information disclosed will not be used for purposes of eligibility, enrollment, underwriting and premium risk rating. I understand this authorization is voluntary and I may refuse to sign the authorization. I understand I may revoke this authorization at any time by notifying my "Company(ies)" representative in writing, except to the extent that action has already been taken in reliance on this authorization. As required by HIPAA, "The Company(ies)" also requires that I acknowledge the following, which I do: I understand that information I authorize a person or entity to obtain and use may be re-disclosed and no longer protected by federal privacy regulations. This authorization, unless revoked earlier, expires 30 months after the date it is signed (and for the term of coverage of the policy for the purpose of collecting information in connection with reviewing and/or processing a claim for benefits). I (we) know that I (we) have the right to ask for and to receive a copy of this authorization.

I understand that I am completing a joint life and health application and that each response must be complete and accurate to the best of my knowledge and belief. I (we) request the indicated group medical coverage. I authorize any required premium contributions to be deducted from my earnings. I (we) have not given the agent or any other persons any required information not included on the application. I (we) understand that "The Company(ies)" is not bound by any statements I (we) have made to any agent or to any other persons, if those statements are not written or printed on this application and any attachments.

Please note that if you leave out information or make a misrepresentation on this form we may be allowed by law to take one or more of the following actions: terminate or non-renew your coverage or change your premium retroactively to the date your policy became effective. In accordance with Virginia law, the validity of a policy shall not be contested, except for nonpayment of premiums, after it has been in force for two years from its date of issue. In addition, and in accordance with Virginia law, no statement made by any person insured under the policy relating to his insurability or the insurability of his insured dependents shall be used in contesting the validity of the insurance with respect to which such statement was made: 1.) After the insurance has been in force prior to the contest for a period of two years during the lifetime of the person about whom the statement was made; and 2.) Unless the statement is contained in a written instrument signed by him. This shall not preclude the assertion at any time of defenses based on the person's ineligibility for coverage under the policy or upon other provisions in the policy.

You or your authorized representative are entitled to receive a copy of this authorization.

Please maintain a copy of this authorization for your records.

I certify that I have read, or have had read to me, this completed application and that I realize that any false statement or misrepresentation in the application may result in loss of coverage under the policy.
