Enter th Calenda Average Number	ar Year by e Total iss	der Health Care Reform law, the number of employees means the average number of employees employed the company during the preceding calendar year. An employee is typically any person for which the company uses a W-2, regardless of full-time, part-time or seasonal status or whether or not they have medical coverage.								
Employe	ees To you pro we val	calculate the annual average, add all the monthly employee totals together, then divide by the number of months u were in business last year (usually 12 months). When calculating the average, consider all months of the evious calendar year regardless of whether you had coverage with us, had coverage with a previous carrier or ere in business but did not offer coverage. Use the number of employees at the end of the month as the "monthly lue" to calculate the year average. If you are a newly formed business, calculate your prior year average using ly those months that you were in business. Use whole numbers only (no decimals, fractions or ranges).

Important Information

I understand that the Certificate of Coverage or Summary Plan Description, and other documents, notices and communications regarding the coverage indicated on this application may be transmitted electronically to me and to the group's employees. This consent remains in effect until it is withdrawn. The group may withdraw their consent at any time or request a document in a paper or non-electronic form.

I represent that, to the best of my knowledge, the information I have provided in this application – including information regarding qualified beneficiaries and dependents who have elected continuation under COBRA or state continuation laws – is accurate and truthful. I understand that UnitedHealthcare and Affiliates will rely on the information I provide in determining eligibility for coverage, setting premium rates, and other purposes, and that any intentional misrepresentation, fraudulent statement, or omission that constitutes fraud may result in rescission of the group policy, termination of coverage, increase in premiums retroactive to the policy date, or other consequences as permitted by law.

Any life insurance producer, examining physician or other person who knowingly makes a false or fraudulent statement or representation in or relative to an application for life or disability insurance, or who makes any such statement to obtain a fee, commission, money or benefit is guilty of a class 2 misdemeanor.

In some instances, we pay brokers and agents (referred to collectively as "producers") compensation for their services in connection with the sale of our products, in compliance with applicable law. In certain states, we may pay "base commissions" based on factors such as product type, amount of premium, group/company size and number of employees. These commissions, if applicable, are reflected in the premium rate. In addition, we may pay bonuses pursuant to programs established to encourage the introduction of new products and provide incentives to achieve production targets, persistency levels, growth goals or other objectives. Bonus expenses are not directly reflected in the premium rate but are included as part of the general administrative expenses. Please note we also make payments from time to time to producers for services other than those relating to the sale of policies (for example, compensation for services as a general agentor as a consultant).

Producer compensation may be subject to disclosure on Schedule A of the ERISA Form 5500 for customers governed by ERISA. We provide Schedule A reports to our customers as required by applicable federal law. For specific information about the compensation payable with respect to your particular policy, please contact your producer.
