ENHANCED PLUS-250 MEDICATION PROGRAM

ACUTE, ACA-MEC AND OVER 1000 ROUTINE MEDS FOR ONLY $5 PER FILL!

SIMPLESCRIPTS RX MEDICATION PROGRAM

As a member of SimpleScripts Rx, there is no need to worry about the high cost of over 1000 commonly prescribed medications. That's because the **ENHANCED PLUS-250** Program includes 37 ACUTE and 95 ACA (Affordable Care Act) medications, plus over 1000 often prescribed ROUTINE drugs for only $5 per fill.

You also receive a Monthly Medication Credit of $250 for a 30-day supply at retail or up to $500 for a 90-day supply when using mail-order. Costs beyond this are the member's responsibility.

You can view all medications in this program along with their co-pays on the following pages. Feel free to take this formulary to your physician to help them prescribe a listed medication so you can stay within your budget.

MEDICATIONS FOR

- Allergy
- Arthritis/Pain
- Blood Pressure/Heart
- Cholesterol
- Cold/Cough
- Diabetes
- Men/Women's Health
- Mental Health
- Pink Eye
- and Much More!

THIS PROGRAM IS EASY TO USE

You will receive an email with a link to your personalized Rx Card and instructions on how to set up your account. Your electronic Rx Card can also be found by logging onto our website. Just click on your username in the upper-right and then click 'Membership Card.' This card may also be used for everyone in your family/household.

The Rx Card will display your BIN, PCN and Group Number to present to the pharmacist. You can present this card to virtually any retail pharmacy (over 70,000 in network) and if on the formulary, you'll pay the listed co-pay. If your medication is not on the formulary, your out-of-pocket cost is based on a deeply discounted price.

We also offer a **Prescription Assistance Program (PAP)** for many medications over $200. If you are on one of these costly drugs, visit **CHC.simplescriptsrx.com** and chat with our Customer Care team to get the information you need. You could save hundreds, maybe thousands a year.

At SimpleScripts Rx, getting your prescription medications is as simple as...
SEARCH. SELECT. SAVE.

HOW THIS PROGRAM WORKS

1. Search for your medications by entering drug name in search bar. The price will be displayed.
2. If you are needing a medication immediately, utilize our retail pickup. Over 70,000 pharmacies are in our network. The site will prompt you through your order.
3. If you can wait up to 10 days, mail-order will be your most cost-effective option. Click on mail-order and the site will prompt you through your order.
4. Mail-order is fulfilled through our partner pharmacies and is subject to change without notice.

This is a Pharmacy Subscription Program. IT IS NOT INSURANCE. We provide you direct access to medications at negotiated PBM pricing and Home Delivery Pharmacy pricing on a pre-paid basis. This program offers solutions for high-priced specialty medications via an International Pharmacy or PAP service. In addition, a discount pharmacy solution is available, where you search discount options and are directed to a specific pharmacy for super-low pricing. Sometimes, this can be your lowest price option. Only certain doses and quantities for each medication are offered through this program.

Your Rx Card is NOT Insurance. Discount Only – Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the type of prescription and the pharmacy chosen. This part of the program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. You may contact Customer Care anytime with questions or concerns, to cancel your registration, or to obtain further information. Formulary and pricing are subject to change. Please see website for current pricing. In order to get the most out of your Pharmacy Subscription Program, utilize our mail-order service by logging into the website. Members must log in to see complete program pricing and details.
